LIBRARY
OF THE
CITY OF NEW YORK

THE POLL at the last Election of MEMBERS
 of PARLIAMENT, for the Burgh of GREAT
 YARMOUTH, is sent to the Press at the una-
 nimous Request of all the Electors who voted for
 their TOWNSMEN. These Gentlemen, tho' not desirous of con-
 tinuing the Heats and Resentments inseparable from such
 Contests; yet could not, consistent with Gratitude or Justice,
 refuse this Publication. The weighty Engagements and Pro-
 mises which the Gentlemen on one Side were enabled to offer
 to their Friends, have, no doubt, before this, or will at least,
 in a short time, be amply fulfilled to them: It behoves
 therefore the other Side to perform what they undertook to
 theirs; and by invariably countenancing and assisting them in
 their respective Trades and Professions, make them amends,
 by the only means in their Power; for the shining Advantages
 they forfeited by their Honest and Disinterested Attachment
 to their Cause. As this cannot be effected without a List to
 refer to; it becomes necessary to make it as publick as pos-
 sible; and no one surely can censure, or complain at, the
 doing this; since at the same time that it will serve as
 an Index, to point out who are entitled to, and will be humbly
 contented with the Good-will, and Support of those among
 whom they live, and are known; it will also exhibit the am-
 bitious Claimants of Court Favours, at one View, to the Eye
 of those who have the Power of conferring the dearly po-
 chased

chased Rewards; and their Names, at least, in Print, may now and then, in the long Interval of Elections, serve to keep up some sort of Remembrance of them in the Minds of those, whom more important Employments may not permit to cultivate any Knowledge of them besides.

As it appears that three Persons on the Poll of Mr. FULLER and Mr. BROWNE, by some Mistake voted twice; their second Votes are omitted in the List: The Editor not having any Right to take that Liberty with the Poll of Sir EDWARD WALPOLE and Mr. TOWNSHEND, theirs is printed exactly as it stands on the original Books.

Those Names distinguished in a particular Character, are such as engaged themselves to vote for Mr. FULLER; and strict Care has been taken to put down none in this manner, but who absolutely promised Him, or his Friends; the Proofs of which can be produc'd: A Number greatly more than sufficient to have turn'd the Election in favour of both the losing Candidates.

Yarmouth POLL.

1754.
